International Marathon

2010 OFFICIAL RESULTS

"The Big Sur Marathon was an experience that I will never forget and I can honestly say that it was one of the best days of my life. This was my very first marathon and I don't know how I will ever find one that compares to it."

Charlotte Winthrop, San Francisco, CA

Our Thanks...

Congratulations to all finishers of the 25th Big Sur International Marathon and related events!

2010 was a milestone year for our organization. We introduced our new mile markers and rolled out the inaugural Boston 2 Big Sur Challenge. We held our first post-race party and celebrated 25 years of art and memorabilia at the Monterey Conference Center art show during the month of April. Daniel Tapia of Castroville, CA, was the first ever male Monterey County winner of the marathon. And most importantly, Mother Nature graced our events with blue skies, sunshine and just a hint of soothing ocean breeze.

The marathon saw a record number of finishers, with 3,442 people crossing the finish line by shortly after 1:00 p.m. Sunday afternoon. The JUST RUN! Just Kids 3K was also the proud host to over 2,500 Monterey County school children who ran the new Pacific Grove course on Saturday, April 24.

Nearly 1,500 of you completed our Online Exit Poll. You awarded us a 97% approval rating for our course and volunteers. Your comments and suggestions are invaluable and we continue to use this tool as a means of ongoing improvement of our events. Thanks to all of you who took the time to critique us. Our goal is to exceed your expectations and provide you the best marathon experience on the planet.

The Big Sur International Marathon would not be possible without the teamwork of our incredible staff, the dedication of

Edie Ellis

supportive volunteers, or the immense generosity of our sponsors and contributors. We thank them all for their contributions that underlie our continuing success.

We invite you to join us in 2011 for our 26th Presentation to be held on May 1. Registration will open on July 15, 2010 at 7:00 a.m. Pacific time at www.bsim.org.

Registration is currently open for the Big Sur Half Marathon on Monterey Bay to be held November 14, 2010. Our tradition of providing our participants a world-class experience continues with this scenic race, now in its eight year. Like our marathon events, the half marathon will sell out...so register soon!

Best of luck with your training and running, and thanks again for your participation in 2010. We hope you'll join us once more at the start line on May 1, 2011.

Our post-race Exit Poll is the primary tool that measures our level of success in any given year. Your ratings of the various event components tell us where we excelled and where we could have done better. Of course we love positive feedback, but we also pay attention to any gripes and complaints. While we'll never please everyone, we do strive to find solutions that will satisfy most. This year's hot spots included t-shirts (long sleeve versus short sleeve, black versus color, graphic versus picture) and post-event food. We apologize to you back-of-the-pack folks for running out of beer...the day's warm temperature was unexpected and compounded the problem.

2010 was a celebration of our 25th year and showcased many inaugural events, programs and activities including the Boston 2 Big Sur Challenge, new mile markers, event greening, a post-race party and a commemorative art show.

Our overall demographics produced 13,488 registered participants in all events with 8,281 finishers (excluding the 3K). 58% of our entrants for all events were female (for the marathon, 57% were male and 43% female), 93% have college or graduate school degrees, 69% had household incomes of \$75K or more, and 57% were in professional or managerial occupations. All 50 states were represented plus 26 other countries. 74% of our participants were from California, followed by Texas, Colorado, New York, Washington, Illinois, Nevada, Arizona, Oregon and Ohio. Foreign participants numbered 363.

For the marathon, 60% were in the 30-49 age group, followed by 18% in 18 - 29, 17% in 50 - 59, and 5% in 60-69. We had 15 entrants age 16 - 18, and 22 that were over age 70.

On the Edge of the Western World

72% of entrants learned about our events through word of mouth or because they were past participants. 17% saw our ads in a magazine or publication, 6% at another race's Expo and 5% through an internet ad or via Facebook or Twitter.

58% ran their first ever Big Sur and 23% ran their first ever marathon. 22% have run from 1 to 24 prior Big Surs.

33% ran in ASICS shoes, followed by Nike (14%), Brooks (14%), New Balance (10%), Saucony (10%), Mizuno (8%) and Adidas (5%).

6% ran a Boston qualifier and 3% ran for a charity.

"A beautiful day made for the best enjoyment and views. First run I've ever carried a camera and enjoyed stopping to take photos."

Some of your comments on our events...

"It was so refreshing. The course was beautiful. The organization was superb. I love all the details that demonstrate that you really care." David Quick, SC 2:54:49

Michael Troutman

"Amazing. Words simply can't describe. This blows all other marathon experiences out of the water." Jamie Patterson, MN 4:58:48

"The run, the stay, and the beauty of the area changed my life a little... and for the better. That is the highest compliment that I can think of to offer. Thanks for giving me the opportunity to participate in the run and enjoy your beautiful part of the country." Biz Clark, WA 5:04:32

"This is the first time that I felt like the organizers of a race genuinely cared about making sure that every single participant had the best experience possible. It felt really special to have the congratulatory handshake at the finish line - a small thing, but I felt like it was heartfelt."

Boston 2 Big Sur...

Meeting the Challenge

Running 2 marathons in 6 days on 2 coasts is a daunting proposition, but our inaugural Boston 2 Big Sur participants rose to challenge, with 325 athletes finishing both races.

Boston and Big Sur...one known for its prestige, fast course and enormous spectator base. The other, for its difficulty offset by one of the most spectacular stretches of coastline in the country. For years, we've been told, "I'd love to run Big Sur, but I'm doing Boston." In 2010 our response was, "Why not do both?" The challenge was set, and the 400 slot field filled in quickly.

The coveted B2B finisher's jacket

Overall, this was a tough group of runners.

Two participants, Bob Hearn and Arthur Stanger ran three marathons in the six day time frame. Wilson Liu, Jack Cheng and Tin Tse took it up a notch by competing in a 50-Mile trail race on April 17, Boston on April 19, Big Sur on April 25, a 50K trail race on May 1, a 50 mile trail race on May 8 and a 100K trail race on May 15. They finished this up on June 12 with a 100 mile run in San Diego.

Post-race comments were positive and enthusiastic. The only thing folks felt was missing was some kind of award or recognition for their combined Boston/Big Sur times. Accordingly, we've posted their combined times here, and also recognized the top five male and female finishers at Boston, at Big Sur and combined.

We will continue the challenge in 2011, and plan to make it even better!

Big Sur's Director's Run

One reason that our Board and staff execute a world-class event is that many of us are runners and walkers. Our race weekend jobs don't allow us to run the marathon on race day and accordingly several of us participate in the Director's Run, held either a week or two weeks prior to the main event. On Saturday, April 10, ten of us lined up in the dark and began our trek to Carmel. Two runners, Wally Kastner and Wayne Richey were taking on the Big Sur 2 Boston challenge, the rest of us were there because we love running this marathon. Several board members served as "leap frogging" aid stations and kept us fueled with water, GU and Gatorade. While we didn't get to enjoy music along the course and did have to be careful about vehicles on the road, the magic of the Big Sur course was the same. The views were stunning, the hills were tough, and we experienced that great feeling of elation upon finishing.

Congratulations to the 2010 finishers of the Big Sur Director's Run!

The Relay

The always popular relay sold out in 2010 by February, filling all 300 available slots. The Open Mixed category dominated with 149 teams finishing, followed by 67 Open Female teams, 25 Corporate, 16 Open Male, 13 Masters Mixed, 9 Masters Female and 3 Masters Male teams.

Congratulations to the overall fastest team, the **Santa Cruz Track Club Mixed Masters** team with their time of 2:44:26! They were followed by the Casa Cruisers in 2:46:10 and in third place, Prestige Worldwide in 2:53:58.

Michael Troutman

The tradition of picking our office favorites from the wonderfully creative team names continued in 2010. Topping the list were *4 Crazy Eggs* and *1 Lone Swimmer*, *Geeks with Wings*, *Running with Scissors*, *Thank You Sur I'll Have Another*, *Too Lazy to Run the Full*, and *Unsupervised Adults*.

Thanks for being a great part of our race weekend and we look forward to seeing many of you again in 2011!

3K Schools' Competition

Maria Prince

Thanks to JUST RUN, kids are running...and loving it!

On Saturday, April 24, 2,500 Monterey County school children and their friends and families toed the line in Pacific Grove for the JUST RUN! Just Kids 3K. The 3K race is an offshoot of the JUST RUN® youth fitness program designed to combat childhood obesity and promote healthy lifestyle choices.

33 local schools took part in the event as a means of raising funds for their schools. The 3K Schools' Competition is sponsored locally by the Community Hospital of the Monterey Peninsula and this year \$10,700 was awarded to 17 schools.

The JUST RUN program, now in its sixth year, is a free, web-site based program open to schools and youth organizations in any country, state or locale. Offering incentives, numerous benefits, and a wealth of information, JUST RUN is a bilingual, easy to implement, turnkey, and fun program.

In the 2009 - 2010 school year, nearly 6,000 children in 79 school programs throughout 17 states ran a cumulative 200,000 miles.
