AID STATIONS

There are three aid stations on the 12K course and one on the 5K course. Each station will feature **Nuun Endurance** first, then water. No fruit or **GU** energy gel are provided at these shorter-distance events. Please be considerate of runners and walkers behind you and the environment and drop your empty cups and other trash at the receptacles provided after each station. Please do not put your trash inside used water cups! There are portable toilets located at each aid station. Each station also features medical personnel with minor first aid supplies.
