INTERNATIONAL MARATHON

Welcome to Race Week!

APRIL 28-30, 2023

Welcome to the 36th Annual Big Sur Marathon weekend of events!

This composite race weekend instructions for the 21-Miler covers the race expo, packet pick-up, special events before race morning, race morning transportation, the start, the course, the finish line, and post-race activities. In short - it's everything you need to know about race weekend! On behalf of the Big Sur Marathon events committee, board, staff, and team, we look forward to seeing you soon and hope you have an amazing experience.

IMPORTANT NOTE: The Big Sur International Marathon collection of races are in an area with little to no cell coverage. There is no cell service at the marathon start line or along the course and there is limited cell coverage at the finish line (and 12K/5K start and finish lines). This will affect texting and calling, runner tracking, and results. Please have plans in place with friends and family before race day.

Important Note About Your Entry If You Are Unable to Run:

All race distances are full. Downgrades to shorter distances, transfers, deferrals, or refunds are not available. You may no longer sell your entry or give it to anyone else. If you purchased a registration refund policy through the Protect Group when you registered for the race and are unable to participate due to a covered reason, you may wish to apply for a refund through the Protect Group. This is a third-party company that handles refund applications for those who purchased their product. If you are unsure if you purchased this product when you registered, please review your Haku participant account or your original registration confirmation email account.

The Big Sur Marathon office does not provide any refunds or process any refund applications. If you do not attend the race, you can consider your entry fee a tax-deductible contribution to our nonprofit organization. Our federal nonprofit tax ID number is 77-0048388. We use funds earned through or donated to our events to help fund programs and services to improve the health of our community, particularly for youth.

All 21-Miler runners and walkers must use our free transportation to the 21-Miler start at Andrew Molera State Park in Big Sur. Highway 1 is closed early race morning to private vehicles. There is NO parking in the start area and there is no runner drop-off by private vehicle.

Free race morning parking will be available at both 21-Miler bus departure locations: [View the bus pick-up locations and parking map](#).

- Barnyard Shopping Center (Clock Tower Place and Via Nona Marie, Carmel) from 4:00 - 4:15 AM

You will collect a ticket for one of the 21-Miler shuttle bus locations when you pick up your 21-Miler race bib at the Expo. For participants staying in Big Sur, please check-in with the transportation desk at the Expo for your best options.

RACE START

The [21-Miler start](#) is at Andrew Molera State Park on Highway 1 in Big Sur. There will be porta potties as well as water, coffee and tea. If you prefer something specific on race day, please bring your own supplies. Wear warm clothing as the average temperatures are in the 40's and you will be in the area for one to two hours before the start. Discarded clothes will be donated.

If you want to check clothes for transport to the finish, use ONLY the clear gear check bag provided at bib pick-up and attach the adhesive bag tag located at the top of your race bib. Do not enclose valuables, keys, credit cards, etc. and do not check any fluids or other heavy or sharp items. Please tie your bag tightly. **Place your bag at either gear collection area on the way to your corral. We are not responsible for lost or stolen property.**

There is one start for all 21-Milers at 6:30 AM. For your safety, you will start in the parking lot at Andrew Molera and run uphill on the park entrance road to enter Highway 1. Your official race time will begin when you cross a timing mat at the Marathon 5-mile mark, about .2 of a mile from the parking lot start.

COURSE DETAILS

THE COURSE: THE REASON YOU ARE HERE!

[View a map of the course](#)

Here's what you should know:

- The 21-Miler begins near mile five of the Marathon course at 6:30 A.M. - 15 minutes before the Marathon.
- Always stay in the left (ocean-side) lane on Highway 1. The other lane (land side) is used for emergency vehicles, race officials, and live traffic in escorted caravans both northbound and southbound. Please do not cross the center yellow line at any time.
- The only mile markers you will see are for the full 26.2-mile Marathon. To know how far you are in your race, subtract five miles from the signs you see (e.g., Marathon mile 9 is your mile 4, etc.).
- There are 9 aid stations spread out about every two-to-three miles.
- Be sure your race number is visible on the FRONT of your shirt or shorts for race officials and photographers.
- We strongly discourage the use of earbuds/earphones. The better you can hear what is around you, the safer you can run.
- Please help us keep this beautiful area clean. Please don't throw items off the road: just drop items in your running lane where our clean-up crews can more easily spot them. And please don't go to the bathroom behind bushes, trees, or fences on the course. There are plenty of portos on the route and there is A LOT of poison oak alongside some sections of the course!
- The road is closed to private vehicles, bicycles, walkers, or non-registered runners. The only place for friends and family to watch you run is at the finish line. No spectators are allowed on the course.
- No dogs or other animals, unofficial pacers, skates, skateboards, bikes, scooters, wheelchairs, hand cranks, baby joggers, or carrying of children or infants. No bandits, no unofficial pacers, no exceptions. Only official race entrants wearing an official 2023 bib assigned to them are allowed on the course.

AID STATIONS

There will be lemon-lime nuun and water at all 9 aid stations. There may be fruit at later stations. GU energy gel in a variety of flavors will be available at marathon miles 12.2 and mile 19.0. We encourage the use of personal hydration vests, bringing your own bottle, etc., to reduce cup waste. If you carry your own water, there are fill up stations at the end of each aid station.

Aid station locations are at the following marathon mile marks:

Mile 7.8, 10.4, 12.2 (GU station), 14.7, 16.9, 19.0 (GU station), 21.2, 23.0, 24.5

A strawberry station is at mile 23.4 featuring the tasty locally-sourced fruit for a burst of final energy.

There are porta-potties at each aid station, at relay exchange areas, and at most entertainment stations.

TIME LIMITS

COURSE TIME LIMITS

21-Milers who fall behind a 6:30 finish pace (18:30 per mile) at any point on the course, you may be asked to discontinue the race and take a sag van to the finish area.

All 21-Milers must reach marathon mile 15.2 by 10:30 AM or mile 21.2 by 11:50 AM to continue in the race. Anyone reaching these locations after the time limit will be transported to the finish by bus. NO EXCEPTIONS!

If you decide to drop out at any point on the course, notify a course marshal or stop at any aid station and inform the volunteers of your desire to drop out. They will dispatch a sag van to take you to the finish.

Thank you for your cooperation. Maintaining the time limit helps us secure a permit each year to conduct this race.

FINISH AREA

THE FINISH

[View a map of the finish area.](#)

The finish line and finish village are located at Highway 1 and Rio Road. After crossing the finish line, you will receive a finish medallion and be directed into the runner food tent for light recovery food and beverages. The family reunion area is outside the runner food tent in the central area of the finish village.

Hot minestrone soup and a Cheers Garden (for those age 21 or over) are also available. Entrants are entitled to one free alcoholic beverage. Drinks will also be available for sale for those over age 21 for \$5 cash.

Gear bags checked before your race are located just outside the fenced grass village area in the parking lot of The Crossroads Carmel shopping center.

TRACKING RESULTS AWARDS

RUNNER TRACKING, RESULTS, AND AWARDS

For runner tracking, click [HERE](#).

Results will be located in the premium tent as well as under black SVE tents in the finish village. Type in your name or bib number and your results will appear on the computer screen.

Results will also be located [HERE](#).

The Marathon awards ceremony will begin at 11:30 a.m. on the main stage. We will recognize the top five overall male and female marathon finishers followed by the top five male and female finishers in all age groups. There are also Boston to Big Sur awards and relay awards. There are no awards in the 21-Miler, 11-Miler, 12K, or 5K.

POST-RACE SHUTTLES

Post-race buses depart the Marathon Finish Village on Rio Road (in front of Bank of America and Starbucks) beginning at 9:30 AM to return you to your morning boarding locations. The last bus will depart at 2 PM. Buses back to the Big Sur area campgrounds and hotels are scheduled to depart at 11 AM, 1 PM and 2 PM.

SPECTATOR TIPS

- Due to the closure of Hwy 1 to private vehicles, bikes, runners and walkers, the only place to watch participants in any of our races is at the finish village.
- The finish village is a relatively small area so anticipate heavy vehicle and pedestrian traffic and lengthy delays accessing the area. Free parking is available in the surrounding shopping centers, but you may have to park a half mile or more away from the finish village.
- Find your friends and family at the runner reunion area near the exit of the runner food tent.
- Please, no dogs, drones, or bicycles in the finish village.
